Do you like me? I mean, do you like me as a blonde? This is my new look, less than a week old. Well, I just love it. It suits me, and the guys I go with like it too. My brownish hair wasn't getting me laid enough. And now that I'm blonde, it's been every night this week.

This was a great time, Jack
and I never made it out of
the rest room. Fortunately,
there was some dude there
with a camera who took
some snaps of us. I think
they're actually pretty good,
don't you think?

ANGEL

It must be my heritage that makes me look so good, but I have to give thanks to my ex for my fucking skills. Before marriage, I didn't want to have anal sex, but he initiated me into it and now, not only do I love it, but I insist on it. Though he's gone, the feeling in my ass lives on.

COULD MY ASS BE ANY TIGHTER?

We knew this would be a 'special' delivery and Skip didn't want his Gary screwing things up. He rang the door bell. He waited and rang again, still no answer. Suddenly the door opened and there she was. "Oh, I didn't expect this package so soon. Let me get my purse. Won't you come in? Bring the package out to the pool. I will meet you there."

Carefully Skip made his way through the house to the patio. She was sun bathing in her private back yard. A picnic table and a few benches were to the left, and on the right, a chair was set just right for the angle of the sun, the lotions within reach, and the radio was playing softly. He stood there feeling a little awkward until she appeared with her wallet. Her tits giggled as she wrote out the check. She leaned forward as she sat at the table and Skip could see clearly down between her tits. He pondered the softness his dick would feel if he could stick it down there. "Here you are", she startled him as she suddenly looked up.

"Before you go, would you do me a favor? Would you spread some lotion on my back? I can never reach there. I'm not keeping you from your deliveries, am I?"

"N-n-no", he stammered as she boldly took off her blouse. Two of the most perfect tits he had ever seen were now unabashedly well within reach. He trembled as he poured the lotion onto his hands. She sat on the edge of the table, her feet on the bench, and leaned forward and he started to spread the lotion. He allowed his hands to slide around to her luscious tits. She certainly put up no resistance so he went right for the nipples. They firmed up rock solid when he touched them.

She chirped and her chest lurched forward as he did so. As he was massaging her upper arm, he realized she was massaging his crotch with her hand. He went directly for the panty line, slipped under and found her pussy to be shaved smooth. He massaged her pussy lips with lotion, occasionally slipping his fingers into her tight hole.

She was so turned on at this point, he could easily press two fingers in with only mild resistance. With two fingers deep inside, he went for her clit with his thumb. She had worked his buttons open and was massaging his cock through his underwear.

He slipped out of his sneakers and dropped his pants with complete abandonment. His 8" cock danced up and down, side to side and tantalized her until he resumed the lotion massage. As he did, she turned her head to face his crotch and he parked his blood-gorged cock between her lips. She flexed her tongue to meet him and slathered it in saliva. Her lips closed around the firm cleft in back of the head and she deliberately tightened her lips there. They both could feel the growing hardness of his cock. Suddenly she stopped sucking and squirmed to the end of the table and dropped her head back over the edge. He easily pictured what she wanted and walked around to meet her. There she was, at the perfect height, lips to crotch and once

again he parked his cock in her. This time she was at a good angle that he could easily slip his cock down her throat deep enough that his balls went right up to her nose.

Her throat was silky smooth and extremely hot. She closed her lips to get a strong hold on it. She held the position as he fucked all the way in, then all the way back out again. He arched his back and fucked in a rhythmic motion. All the way in, and then all the way out, very slowly, getting it totally soaked in saliva. So much so that he almost came. He pulled out and squeezed the tip of his cock to stop the process. Almost too late, but it stopped. They both spent a few seconds to catch their breath.

He certainly did not want to cum now, not before he had the chance to fuck her tits. Soon he was chewing her nipples and massaging her breasts. Slowly he moved around

to mount her. Soon he was straddling her stomach with his cock resting between her tits. He held them pushed around it and started a slow forward and back motion. Their smoothness against his dick was incredible. He pushed forward, his balls touched her tits and she licked the tip.

Pulling back, the head rode down in the valley and the cleft just in back of the head rubbed her mounds. Faster then slower, he controlled the motions. Then he moved around to fuck them from the other angle. He was straddling her face and fucked down her tits. Then she did something he never imagined. She was licking his asshole. Electricity shot through him and he almost came again. He leaned forward and started licking her pussy and soon they were 69-ing for a mutual suck.

Skip then walked around to her spread and inviting legs. He moved the two benches so she would have them to rest her feet on, besides, this way her pussy was at just the right angle for a good fuck. He started licking her smooth and hot thighs, then slowly moved up to the crack of her ass and up to her clit. It was now swollen and very hard. Now he was ready for her. He stood up and she was at the perfect height for him. He stood there for a few seconds slowly plowing around her lips with his cock head. Up, down, around in circles, he let the head soak up the cream flow. It almost slipped in and he felt the tightness of it. He let it slide up

ward to feel the lips on the underside of his cock. His balls tickled her ass as they bumped. He loved the hardness of her pussy muscles as the underside length of his cock rode over them. He held his cock and focused it into her hole.

The tightness prevented him from slipping in easy. A little more pressure and the tip slipped in. More cream oozed out around his cock. With a deliberate slowness he penetrated her, savoring the intense heat. His cock felt as if it was being sucked in. Soon he was fully planted in her. His balls rested on her ass and her pussy gripped at the base of his cock. Slowly he sawed his cock back and forth. She grabbed his ass as he fucked her, her nails leaving scratch marks on his ass cheeks.

In the meantime, Gary had been waiting in the truck and wondered why it took his Skip so long to deliver a package. He hears some grunts and goes to the fence, finding a small hole in it. He now realized that Skip was delivering quite a different package than originally planned. From his vantage point behind the fence, he had quite a view. Skip was banging her now, the intensity of the fuck was greater than any he could recall. It was combination wild abandonment of being totally naked, out in the wide open space of the pool, and an unbelievably good looking woman. Faster and faster his well lubricated cock zipped in and out. Occasionally it slipped out and once again he was slide fucking her crack. She reached

down and guided it back in without breaking his pistoning action.

She reached down and jerked him quickly as he pulled out. Then he fucked back in, to the hilt again. He arched and pushed in farther

lapsed into her luscious tits. Gary walked over to them and started feeling her tits. She recovered her breathing, and rolled her head to start sucking Gary's cock. Skip brought his hand around and started feeling her ass. Gary did

up doing one then the other.

Soon they were soaked with saliva enough for the double fuck. She climbed on top of them and straddled the two fine strapping young guys. Lowering herself, they worked their cocks into her pussy and asshole. Soon they were fully embedded in her and she did all the motion now. In full control, she worked her own orgasm. She purred as she scalded them with a blast of cream. She worked a circular motion to feel their cocks in areas of her pussy and ass that didn't normally get stimulated. Faster and faster she bounced on the dual cocks.

than he had ever pushed before. She held his balls and pressed in on his vein in back of them. He shot his first load deep in her and quickly pulled out to spray her tits. He landed a few shots in her face, and a few more on the table. Then she took his cock and swirled it around her pussy and over her clit as she went into the throes of her orgasm. She held his cock and once again pointed it into her pussy. The sensitivity of the cock head was so intense he squealed but continued to fuck. Her pussy was now well lubricated by the first shoot of his load.

Gary entered and watched the action in the yard. He was as hot as they were. He lumbered forward with throbbing cock in hand. Panting. Skip explained to her who Gary was and again col-

lapsed into her pussy. Soon they had fingers up inside her.

"Hmmm," she mumbled, "Maybe now I can be fucked by two cocks at once." She was lying on the table with legs well spread as Gary approached her. Both of their cocks were hard as rock. "Ooooh..." she moaned as she felt their fingers penetrate her. Slowly at first then a little faster. As Skip felt her asshole loosen, he stuck in two fingers, then three. She could not resist the temptation to lean forward and suck his cock. She held their cocks in full contact with her mouth. Then she held both cocks together slowly stroking them. The heads swelled up as she linked the pre-cum from the holes. She tried to suck both of them at the same time but ended

The three gasped faster and faster as they worked to their communal cum. Soon the three were squealing as she controlled the action. Gary shot first, deep in her pussy and Skip soon followed and shot a full load up her ass. Totally exhausted, they just stayed in their positions and rode out the waves of heated orgasm. They must have stayed there for about 5 minutes until they started to feel the coolness of the afternoon breeze chill them. She then lifted herself and the two cocks flopped out of the holes. An abundance of cum flowed out.

"Well, boys, do you think that is a sufficient tip for the delivery?" she quipped. Taking a deep breath, Gary said that he wasn't sure he could take this type of tipping for every delivery. But they all agreed, there has to be another delivery sooner or later and they would certainly be looking forward to it.

CHRISTINE

I think I'm a fun girl. I like seeing a big cock jammed into my tight kitty with my labia closing tightly around it. It fills my kitty nicely and I just go crazy when he pumps it in and out of me really fast. I have the best intense orgasms that way. Fast and hard... and faster!

nail her... mail me...

My best friend

My good friend Claire and her long time boyfriend, then husband, Norman had been an item for year. Unfortunately, over the last few years Claire grew tired and weary of her man. While he seemed to have a tremendous amount of testosterone and he could fuck her all night long, she would never get any rest at night and this was really affecting her job. She would call me on her lunch and sound like she was about to fall asleep.

A few months ago she was confronted with making a decision if to stay with him, or not. She would call me at all hours with talking points and I would listen as best I could. She was confused and I felt for her. She said she still loved him, but just couldn't take it anymore. Ultimately, she decided that it would be best for her and her career that they split. It was a hard decision and Norman took it pretty hard. Eventually he left the house, got his own place and waited for her to call and ask him to come back.

Norman called me several times, too, asking what he did for Claire to feel that way. They never really argued, their dual incomes provided for a comfortable life and they has a lot of sex. Ah, there it is... I told him. After trying to explain to him, we hung up and I haven't heard from him since. In these many weeks after splitting up with him, Claire told me her heart ached for his long and heavy

cock. I told her she needed some sexual diversions if she was so frustrated.

I told her I would take her to a little sex shop I knew down in the arts district. We went and perused the shop for toys. She said she wanted one that would remind her of Norman's big cock. She had told me stories before they got married that his cock was huge. One day in their fooling around, she measured it and it was almost ten inches long. I told her I couldn't imagine something that large inside me!

Claire looked up and down the aisles, finally deciding on the best one. She felt her pussy slightly pulsing, remembering how beautiful and large his cock was and how she would wrap her lips around it's head and her sweet tongue would move like a butterfly sucking nectar from a flower. Her regrets were many, but her decision was made and that was the end of it. She was having way too many erotic thoughts that she was now trying to decide whether to purchase a fucking machine or just several vibrators and dildos. She ultimately decided on both, but no machine. We finished and drove home. She asked me to drop her off so she

could try her toys first in private. I agreed, giggled, and she left.

She told me later that after she got home, she unwrapped everyone of her new toys. She said she picked a small vibe first and put it right on her clit. Norman would suck her clit gently until she came, she said. Sometimes, Claire would squirt and he loved that. Her thoughts of Norman and her wet pussy sent her into an erotic spin. She spread her as far as she could, and with them stretched up in the air, she began to finger fuck her every hole. She wanted to think she was still riding on Norman's cock.

Now she remembered melting into a woman's arms; soft, tender and stress-free in the brief af fair with

a female coworker. She remembers loving every minute of their pussy munching. Stella was beautiful and well built with short hair and curvy legs. She and Claire had spent many erotic evenings together in the very room she was fingering herself. Her nights and weekends with Stella were hot, very hot. They would suck and fuck until dawn.

Stella was a champ with a strap-on and loved sucking toes, too. She loved fucking. I mean she loved fucking, almost as much as Norman. This thought had Claire squirting to the ceiling. Stella was always a phone call away, but now Claire had her own toys. She took the largest dildo she bought and plunged it as deep as she could into her soaking wet pussy. Soon it was more than her pussy could bear. Claire has learned to love her toys. She'll often make her dinner and sit with a small buzzing vibe between her legs as her dinner companion. That's my Claire.

Just my size

Just over a month ago a new men's store opened at the mall near my house. I had wanted to stop in and see what they carried but work was just so time consuming that I didn't get the chance. Until last weekend.

Ads in the newspaper said they were still having their grand opening specials and I needed a couple pairs of slacks for work. So Saturday morning I went in

about 10:30 and looked around. It seemed like a nice store and there were probably five or six single guys in the store, a few couples and several single women. The salespeople were dressed in black pants and dark maroon polo shirts

with name tags on them. All were smiling large and doing their best to make a sale.

I found a display of dressy slacks and started rummaging around in them to find my size. After a few minutes, a petite, but quite attractive, salesgirl came over and asked me if I needed any help. I looked up, smiled and said I was doing fine. She said that if I needed any help, her name was Marilyn. I smiled back -- and she winked at me.

Now I'm not the best looking guy, but I'm not bad. Almost six foot, and salt and pepper hair. I'm looking for a 34 x 34 pant,

no cuff. One in black and one in dark blue. I find a black one and head off for the dressing room. I find an empty room (they were all empty) and tried them on. Too big. I go back for a smaller size and see Marilyn straightening the

pant display I was just at. I kinda apologized for making a mess and she just giggled and asked if those fit. I told her I needed a smaller waist and told her 33" would probably be right.

She quickly found one and handed it to me and I said that if these fit, I would like to get a pair in dark blue. She said she'd find one as I headed back to the dressing room. I went in and hung the pants on a hook as I undressed. Then I heard someone else come in to the changing area. I heard the latch on my dressing room door open. Then in steps Marilyn with the dark blue pair and says that I should try these on too. I'm

standing there in my boxers with a cute salesgirl really wanting to make the sale. Then I felt a long fingernail trace the waistband of my boxers.

I struggled to say something appropriate, but instead I felt my blood begin to rush to my cock as she tugged at my underwear, pulling them down around my ankles. She pressed herself against me and I could feel her nipples poking against her polo shirt. She planted a kiss on my neck and my mind began to reel as her hands found my cock and she began to play with it.

My cock was erect by now and I closed my eyes as one of her hands slid up and down the length of my shaft, and the other began to knead and massage my scrotum. I reached down and rubbed my hand against her crotch as I pushed her against the wall and knelt down in front of her. She had already unbuttoned her pants and pulled them and her panties down in one swift motion.

She was smoothly shaved and smelled sweet and a little musky and that was a huge turn on. I

kissed her tummy and worked my tongue down on her mound. She spread her legs slightly, and I pulled her panties off. She gasped as I began to nuzzle in her pussy. I began to kiss and lick softly along the opening of her pussy lips, and she lifted her legs so that her weight was now being borne on my shoulders. I teased her pussy, kissing and licking it. She wrapped her legs around my head and pressed my face tighter into her crotch. Her fingers were running through my hair as I sucked on her pussy, and her breathing became quicker and louder.

Marilyn couldn't take anymore of my tongue and climbed off of my shoulders drawing me to my feet. She made me sit on the bench and immediately went for my cock. She took it into her mouth and began pumping furiously. I closed my eyes and listened to the sounds of her slurping and sucking on my cock were driving me crazy. She gave my cock one long suck and then stood up. She turned away from me, took hold of my cock between her legs and started to sit down on my it, reverse cowgirl style as I guided my cock into her warm pussy.

She leaned back into me and began nibbling on my neck as she humped my cock. Everything she was doing was driving me crazy. I kissed her, and I felt her tongue trying to enter my mouth but most of my attention was directed towards fucking her brains out as quickly and as quietly as possible. I adjusted my penetration so that I could bring my arm around her and continue rubbing her clit. She pumped her body up and down on my cock as I pounded in and out of her. She began biting my ear while trying not to scream. I could feel my come beginning to rise as well and told her so. In response, she tightened the grip of her interior muscles on my cock and I increased the rate of my pumping.

I moaned into her ear that I was about to cum and she told me to hold it for a moment and getting off me, she dropped to her knees and took my cock, and then all my spurting love juices, deep into her mouth. I held her head there as I emptied my balls. She stood up and gulped a last swallow and licked her lips. She fixed her hair as best she could while I got my clothes back on. She exited the dressing room and disappeared into the store.

I took my two pairs of slacks up front to the register to pay, all the time looking around for Marilyn. I didn't see her so I paid with my card and went home, wondering if this was a new approach to selling clothes. If it is, I'll be back for some new shirts next weekend!

— Jerome, still at the mall

DANIELLE

I love my bald pussy. And guys like it, too. It feels extra sensitive right after I shave it and it gets me horny even faster. I shave it two times a week because I don't like the stubble. Neither do my sexual partners. I find that they are extra spunky when my pussy is hairless. I have to admit, I like the way it looks, too. But it's the ultimate sensitivity that I really enjoy. Sorry, I gotta go and shave now!

EUFORIA & KATE

Euforia and Kate became fast friends at the store in the mall where they both worked. Kate was the new hire and Euforia was there to show her the ropes. After a few months they hooked up. Their first time was in the dressing room.

Then, one day, Kate invited Euforia to her house for dinner and wine. They stayed up all night, sharing stories and pussies, At first Euforia was the aggressor, but Kate got so aroused that she took over and helped Euforia cum four times that night. Or at least that's what she told us, and who are we to argue, now that we have the pictures.
